

# Who Is God? Session 2: Discussion Questions

## God Is With Us

### *Opening*

Can you look back and see any situations where you believe God has intervened and helped you or guided you, not leaving you to “figure out life on your own?” If so, describe those situations?

### *Going Deeper*

#### *God is Personal*

1. Why did Read Exodus 3:14-15. Why did God reveal His name to Moses?
2. What do you think of the idea that the creator, sovereign, eternal God wants to enter into a relationship with you?

#### *God is Love*

3. Do you believe God leads, guides, protects, and strengthens those who follow him through the difficult journey of life? If so, how does He lead us? What methods does He use?
4. How does Jesus’ death on the cross, declare without a doubt that God is with us?

### *Application*

What is one thought that you will take away from this session to think about and apply in your discipleship journey?
